Dan,

Please forward these pictures to Susan. I promised I would send her this picture(of her with the bear in the background), but I do not have her email address.

Thanks,

Terry

Yes. I'll call you at 315 pm Mountain.

Thanks

Terry

Hi Dan,

It was great seeing you at Silverton during our recent field work. Are you available for a brief call to discuss your schedule for the next round of sampling in the Silverton area? I can give you a call.

Thanks,

Terry
